

**GREAT ORMOND STREET HOSPITAL FOR CHILDREN NHS TRUST  
GREAT ORMOND STREET  
LONDON WC1N 3JH**

**Clinical Fellow (Equivalent of ST6+) in Paediatric Gastroenterology**

We are looking to appoint a Clinical Fellow to join the Paediatric Gastroenterology services at GOSH. The appointment will be for a year, subject to satisfactory performance review at 6 months. The post will be required from September 2024 and is subject to satisfactory pre-employment checks. There may also be potential scope for possible other ST6 positions later in the year. This is an exciting opportunity to gain or extend your clinical experience in Paediatric Gastroenterology, in the unique and supportive environment of Great Ormond Street Hospital.

Great Ormond Street Hospital for Children NHS Foundation Trust (GOSH) is a national centre of excellence in the provision of specialist children's health care, currently delivering the widest range of specialist care of any children's hospital in the UK. GOSH and UCL Great Ormond Street Institute of Child Health form the largest paediatric research and teaching centre in the UK

The post is not recognised for training, but the appointee will be treated equitably to trainees in recognised training posts. MRCPCH part II or equivalent is essential for the ST6 posts.

**Applicants must have full registration with General Medical Council.**

**It is important that you ensure that your GMC registration and other relevant documentation are in date and in place, to avoid causing delay in recruitment. It likely that you will not be shortlisted if you do not confirm this on application,**

The appointee is expected to work closely with the other members of the Gastroenterology team. The Gastroenterology department provides excellent opportunities for clinical studies and the appointee will be encouraged to take an active role in its ongoing program of clinical research and audit

This full time post will join the Middle Grade Rota, sharing long days weekends and night duties.

To arrange an informal visit or to discuss the posts further, you are welcome to contact us via [Marjorie.Balaram@gosh.nhs.uk](mailto:Marjorie.Balaram@gosh.nhs.uk) or via email at [vacancy@gosh.nhs.uk](mailto:vacancy@gosh.nhs.uk) quoting the appropriate reference number

Based in central London, GOSH offers flexible working, help with childcare and travel, excellent training and development opportunities and assistance with finding somewhere to live.

All applicants must return their application forms electronically. To apply please go to: <https://www.jobs.nhs.uk/cgi-bin/advsearch> and search for Great Ormond Street Hospital

We encourage applications from all sections of the community.

We conduct full criminal record checks on all successful candidates.
