Senior Audit Manager

We are looking for enthusiastic audit professional (CCAB/IIA qualified) to join our successful team working across **Lancashire & South Cumbria and Greater Manchester** and the surrounding areas. The successful candidate will be based in either our Manchester M6 5FW or Darwen BB3 OFG offices.

As a Senior Audit Manager (Band 8A) you will be earning up to £57,349, leading the delivery of internal audit and adding value to NHS and Public Sector organisations, all within a flexible working environment.

The Successful Applicant

We want driven people who think creatively about their work, embrace challenges and can resolve complex problems-

The key purpose of this role is to:

- To take responsibility for operational elements of team delivery and client management of a broad and challenging portfolio of internal audit plans. This includes the personal conduct of highly complex audit assignments.
- To conclude upon the quality of all audit opinions produced for the team's allocated reviews to support the drafting of the Head of Internal Audit Opinions.
- To direct and supervise staff to deliver the allocated audit reviews on time, to budget and to quality standards.

- To report to Senior Executives and the Audit Committee on a regular basis on specific reviews as required.
- To respond to a broad range of sensitive and complex queries from clients and staff.
- Support the development of knowledge sharing activities to inform the work of MIAAs internal teams so as to strengthen knowledge and practice across the Agency.
- Support the development of the profile of the Greater Manchester & Lancashire MIAA Audit team.

We are looking for individuals with the following skills and competencies:

- Professional accountancy/internal audit qualification (CCAB/MIIA) with significant demonstrable post qualification experience
- Experience of working with/presenting at Board level
- Proven management and organisation skills.
- Demonstrates excellent analytical and research skills.
- Good time management skills and the ability to work to tight deadlines whilst managing competing priorities.
- Ability to build relationships.
- Respects differences in people and values diversity of ideas.
- Demonstrates drive and commitment to self-development.
- Strong IT skills.
- Experience and understanding of current issues in the NHS/Health Sector/ Local Government Environment

The role requires working across the wider MIAA footprint.
