

# Locum's Nest

We are partnered with Locum's Nest, an initiative founded by doctors, with the aim of improving access to locum bank work opportunities.

The app is free, and using it you will be able to view and apply for shifts across a variety of specialties.

The following is all done within the app:

- Authorise shifts to bank
- Application to shifts
- Shift confirmation
- Timesheet submission

## Download Locum's Nest

Scan the QR code to download Locum's Nest on your smart device.

When installing the app, make sure you allow the app to access your camera. This will ensure that you will be able to submit digital signatures for all your in-app timesheets.

Search for **Locums Nest** on the Intranet for more information.
