

# DEGREE APPRENTICESHIPS

Now there is a real alternative to traditional university study. With the growth of higher and degree Apprenticeships, you have the opportunity to move your career forward and gain professional skills – all whilst working and earning salary. With a degree Apprenticeship you can achieve a full Bachelor's or Master's degree. Just like traditional degrees, an Apprenticeship is a great opportunity to develop your career.

## WHAT WE CAN OFFER

BNU offers higher and degree apprenticeships including:

- Advanced Clinical Practitioner
- Chartered Manager
- Digital and Technology Solutions Professional
- District Nurse - in development
- Manufacturing Engineer
- Nursing Associate
