**Role Title:** Registered Practitioner in Renal Services – Renal Day Unit

**Band:** 5

**Contract:** Permanent

**Responsible to:** Ward/Departmental Manager

**Accountable to:** Modern Matron for Renal Services

**Location:** UHCW NHS Trust

### Our Vision, Values and Behaviours

At University Hospitals Coventry and Warwickshire (UHCW) NHS Trust our vision is to be a national and international leader in healthcare, rooted in our communities. Our Organisational Strategy *More than a Hospital* (2022-2030) was shaped by the views of our staff, patients and stakeholders and sets a clear plan for improvements in healthcare.

We aim to deliver the best care for our communities, being exceptional in everything we do. We do this by providing proactive, joined up support for local people and we deliver specialised services for those with the most complex health conditions. We set out to create the best experiences for our staff and work positively in partnership with other organisations to achieve the best healthcare outcomes.

Our vision and purpose are underpinned by a clear set of values that reflect the culture we want to create: *Compassion, Openness, Pride, Partnership, Improve, Learn and Respect*. Developed by our staff, our seven values guide what we do daily. Whatever our role or level, we commit to uphold these values as we work together to deliver world class care.

### Net Zero and Sustainability.

UHCW NHS Trust, by virtue of its Green Plan, is committed to ensuring that the way we provide services minimises the impact on the environment and the future health of the public e.g. zero waste to landfill, reducing our carbon footprint and increasing our recycling and reuse percentages.

### Job Summary

Provide optimum quality of care to patients, offering support to the multi-professional team, may take management responsibility for an identified area on regular shifts.

## Main duties

As part of our commitment to patients and delivery of a world class service for all, we have created the UHCW Improvement (UHCWi) System in partnership with the Virginia Mason Institute in Seattle; this involves a structured approach to removing waste and putting the patient first using a lean management system and methodologies. Our culture and ways of working reflect and embed the practices and methodologies of UHCWi. You are expected, where identified, to attend and complete relevant training and development opportunities to support this. This may include Lean for Leaders, Advanced Lean Training, and the Human Factors Programme, amongst others.
