

Job Description

Job Title:	Theatre Healthcare Assistant
Base:	Salisbury District Hospital
Band:	2
Reporting to:	Team Leader

Our Values

Our values are at the heart of everything we do. You can expect to see them in the way we act and the way we treat each other. Our values make us who we are.

Patient Centred and Safe

Our focus is on delivering high quality, safe and person focussed care through teamwork and continuous improvement

Professional

We will be open and honest, efficient and act as role models for our teams and our communities.

Responsive

We will be action oriented, and respond positively to feedback.

Friendly

We will be welcoming to all, treat people with respect and dignity and value others as individuals.

Progressive

We will constantly seek to improve and transform the way we work, to ensure that our services respond to the changing needs of our communities

Main Purpose of the Job

To give direct care to patients coming to the department under the supervision of professionally qualified staff.

Main Responsibilities and Duties

Care delivery responsibilities

Carry out a range of practical and clinical skills which include:

- Positioning and preparation of patient on the operating table. Maintain patient respect and dignity.
- Act as a circulating member of the theatre team.
- Correctly use pressure-relieving devices in Theatre.
- Correctly and safely handle all medical equipment, sterile packs and consumables.
- Positioning of theatre equipment for surgeons' requirements.
- Undertake swab, instrument and needle checks with scrub person according to local protocol.
- Collecting patients from wards/areas and assisting in the transport of patients to wards and other areas post-surgery.
- You will have a responsibility to keep yourself and colleague's safe at all times. To do this it is essential you are up to date with manual handling training, conflict

resolution training, dementia care training and other relevant health and safety training.

- As a member of the Theatre team you will assist in the turnaround of theatres by cleaning, rubbish and tray disposal between each procedure

Care management and educational responsibilities

- As a member of the Theatre team you will listen to other professionals, listen to your patients and report any concerns the patients may have to the registered nurses.
- You will understand that when duties are delegated you can only do tasks for which you have been trained.
- Demonstrate a commitment to the need for your training, continuing development and supervision in order to enhance knowledge, skills, values and attitudes needed for safe and effective nursing practice.
- Maintain your mandatory training and contribute to your annual appraisal.
- Hold yourself to account for your decisions, actions and omissions in patient care.
- Maintain patient safety through rigorous and consistent compliance with Trust policies for the prevention and control of infection, including hand hygiene. To undertake mandatory annual training/updates in infection prevention and control.
- Safeguard and promote the welfare of children and young people in compliance with Trust and staff responsibilities under Section 11 of The Children Act 2004; to follow Trust safeguarding children and child protection policies and guidelines and undertake appropriate mandatory training and updates in safeguarding children/child protection.
- By following Trust Policies in relation to Safeguarding Adults, staff will ensure that they work with other agencies to protect all adults from abuse at any time.
- To respect and value the diversity of our patients, their relatives, carers and staff by committing to address the needs and expectations of the diverse communities we serve to provide high quality care, and strive to make best use of talents and experience from our diverse workforce.

Personal, professional and leadership development

- You will understand your own emotions and recognise the impact on others.
- You will behave in an open, honest and inclusive manner, upholding personal and organisational values, beliefs and ethics.
- You will embrace the principles of the Trust vision for all care givers to put pride into your practice and role model commitment, competence, compassion, care, courage, and good communication to make every contact count.
- You will approach your duties and tasks, as a member of the team, in an organised, planned and structured way and seek help and support when you are unsure.
- You will put patients at the centre of your thinking, listen and positively respond to your patient's feedback reporting concerns to a registered nurse where necessary.
- You will adopt a positive approach to change, offer ideas for improving services and patient experience in a collaborative manner.
- You will use every opportunity to communicate with your team, your patients and

their family or carers.

- If using a social networking site or other online forum you will act responsibly at all times and uphold the reputation of the organisation.
- You will always report unacceptable practice and know how to raise concerns.

Budget Responsibilities

Appendix A

Additional information applicable to all posts

Confidentiality

During the course of your employment, you may see, hear or have access to information on affairs of patients and staff. Post holders may only use information as appropriate to carry out their normal duties.

Post holders must not disclose personal, clinical or commercial information to any unauthorised third party; any such disclosure will be investigated and may lead to disciplinary action and possible dismissal. You must adhere to the Trust Data Quality Policy and be fully versed in the responsibilities outlined for your job role.

These obligations are in line with common law duty of confidentiality, Caldicott Principles. Data Protection Act 2018 Freedom of Information Act 2000.

Equality and Diversity

The post holder must comply with all Trust policies and procedures designed to ensure equality of employment and that services are delivered in ways that meet the individual needs of patients and their families.

The post holder must promote equality, diversity and human rights for all and treat others with dignity and respect. No person whether they are staff, patient or visitor should receive less favourable treatment because of their gender, ethnic origin, age, disability, sexual orientation, religion etc.

Quality and Safety

Patient, service/facility user and staff safety is paramount at Salisbury NHS Foundation Trust. The post holder will promote a just and open culture to reporting of incidents and adverse events. The post holder should be aware of current health and safety policies of the Trust and are required to co-operate with management and safety representatives on matters relating to the Health and Safety at Work Action, including the Radiation Protection Supervisor. They must attend all mandatory health and safety training. They are also required to maintain a safe working environment for patients, visitors and employees and report any accidents or dangerous incidents promptly. They should use protective clothing and equipment where provided.

Vetting and Barring Scheme

The Vetting and Barring Scheme was created to ensure that the Trust has the most robust system possible for preventing those who seek to harm children, or vulnerable adults, from gaining access to them through work or volunteering.

It is a criminal offence for someone barred from regulated activity working with vulnerable adults or children to seek this employment. Any employer who knowingly pursues the employment of someone barred from working with vulnerable adults or children are liable for prosecutions.

Infection Control

To ensure the practice of self and others is at all times compliant with infection control, including hand hygiene policy and procedures. Hand hygiene must be performed before and after contact with patients and their environment. To undertake mandatory annual training/updates in infection prevention and control.

Government and Risk

Adhere to Trust policies, procedures and guidelines. Follow professional and managerial codes of conduct as applicable to the role. Take active steps to prevent theft or fraud in the workplace.

Duty of Candour

The post holder is also required to ensure compliance with the statutory "duty of candour". This is a legal duty to inform and apologise to patients if there have been mistakes in their care that have led to significant harm. It is aimed at helping patients receive accurate, truthful information from health providers achieving a wholly transparent culture.

Data Quality

The Trust recognises the role of reliable information in the delivery and development of its service and in assuring robust clinical and corporate governance. Data Quality is central to this and the availability of complete, comprehensive, accurate and timely data is an essential component in the provision of high quality health services. It is therefore the responsibility of all staff to ensure that where appropriate, information is recorded, at all times, in line with the Trust's Policy and Procedures for Data Quality.

Safeguarding

To safeguard and promote the welfare of children and young people in compliance with Trust and staff responsibilities under Section 11 of the Children Act 2004; to follow Trust safeguarding children and child protection policies and guidelines and undertake appropriate mandatory training and updates in safeguarding children/child protection.

By following Trust policies in relation to Safeguarding Adults, staff will ensure that they work with other agencies to protect all adults from abuse at any time.

COVID Vaccination

During the COVID-19 pandemic, it has been necessary to take significant steps to protect the health and safety of our staff, service users and those attending our sites. In order to comply with our duty of care, we continue to encourage and support our staff to have the COVID vaccine in order to protect themselves, colleagues and their patients as this is the best line of defence against COVID-19.

Training and Personal Development – continuous professional development

There is a requirement for all Trust employees to take part in an annual appraisal; this can be in the capacity of facilitating staff appraisals and participating in their own appraisal and development plan.

The post holder must take responsibility in agreement with his/her line manager for his/her own personal development this includes attending all Trust Statutory and Mandatory training allocated for the role.

In addition the post holder must be aware of their education responsibilities within their area of work. All Healthcare Professionals have a responsibility to support and educate students/trainees and other learners in practice.

Sustainability and Carbon Reduction

Every member of staff is encouraged to take responsibility for energy consumption and carbon reduction and is expected to incorporate the agenda of sustainability, carbon and health in their daily work.

Flexible Working

We support flexible working and will consider requests taking into account the needs of the service.
