

## Mission:

We will empower and value the people of Herefordshire, whatever their ability or disability

#choice #purpose #holistic #occupation

## Objectives:

- To empower the people of Herefordshire to live fulfilled lives through meaningful occupation
- To embrace positive risk and encouraging self-ownership of health and well-being
- To be advocates for change forward thinking with innovative practice. We will invest in our sustainable future
- To be solutions-focused with a problem solving approach, enhancing occupational performance to overcome and environmental barriers
- To provide effective, evidence-based interventions with measurable outcomes, demonstrating value and worth

## What Occupational Therapy means to us
