Why NELFT?

NELFT is an award-winning community and mental health Trust, providing healthcare for over 4.9 million people, ensuring our patients, family and friends feel confident that their health needs are met. We are committed to delivering the **best care** to the communities we serve across North East London, Essex and Kent.

With an excellent reputation for research and development, our skilled healthcare professionals are at the cutting edge of evidence-based innovation, opening up the possibilities for better ways of working and delivery of care. Joining us will provide you with unparalleled access to training opportunities, continuous CPD, peer support groups, and a robust supervision and appraisal system.

We are currently recruiting for a Community CAMHS Specialty Doctor position in the Barking and Dagenham CAMHS Community Team, based at 73 Axe Street, Barking, IG11 7LZ. This is a new post, that has been created to provide high quality care.

You will join three full-time CAMHS Consultants, another Specialty Doctor, and a Core Trainee doctor within the service, and will have the opportunity to influence future direction, treatment, and models of design in the area in which you work.

Why Barking & Dagenham?

Barking & Dagenham has extremely good transport links to central London and eastwards to Essex and Kent. In terms of public transport, the borough is served by a

good local bus network as well as National Rail/C2C (Barking), the District Line (Barking, Upney, Becontree, Dagenham Heathway, Dagenham East), the London

Overground (Barking & Barking Riverside) and the new Elizabeth Line (Chadwell Heath).

Barking and Dagenham services have a culture of continual learning and development. Several service development and Quality Improvement initiatives are being progressed.

You will be expected to:

- Work as part of multidisciplinary teams providing care to children and young people with mental health needs, across Barking & Dagenham.
- Provide senior medical support to the team, and direct input on clinical cases.
- Provide guidance and supervision to the team.
- Work directly with children and young people and their families and liaise as appropriate with other external CAMHS mental health providers, and acute hospitals.
- Work alongside the three CAMHS Consultant Psychiatrists, another Specialty Doctor, and Core Trainee within the service and share clinical supervision requirements with them.
- Develop links already established with the local acute trusts' A&E departments and inpatient wards.
- Be responsible for patients allocated to them and will assess, manage, plan, and deliver care.
- Support your peers and the team manager and be an effective team member whilst working on their own initiative.
- Supervise junior colleagues and liaise with other health and social professionals and agencies.

To be successful in your application, you will need:

- To demonstrate that your values are in line with that of NELFT's values,
- To be innovative, motivated, and passionate about Child and Adolescent mental health care,
- Essential understanding of current developments in mental health care,
- To be a team player

NELFT Benefits:

- Relocation expenses
- Career Development and training
- Just & Compassionate Culture
- Award winning Equality, Diversity, and Inclusion initiatives
- Vivup employee benefits platform and salary sacrifice scheme
- Salary Finance and Financial Wellbeing support
- Employee Assistance Programme
- Health & Wellness initiatives

- 11 Staff Networks including parents & carers network, ethnic minorities network, LGBT+ network and Disability network to name a few
- Retail Discounts
- Flexible working and agile working
- Cycle to work scheme
