

### JOB DESCRIPTION

Service: Child & Adolescent Mental Health Service

Title: Charge Nurse

Band: 6

**Directorate:** Child & Adolescent Mental Health Services

Accountable To: Modern Matron

**Reporting To:** Team Leader

**Base:** Forest House Adolescent in-patient Unit, Harperbury

#### **JOB SUMMARY:**

Forest House is a 16 bedded inpatient unit for 12-18 year olds suffering with emotional, behavioural and psychiatric problems. The unit offers young people a 24 hour, 7 day a week service, assessing, treating and evaluating care though a variety of therapeutic techniques, family work, individual work, group work and the day-to-day milieu.

To act as the lead nurse / care co-ordinator for a group of young people within an inpatient setting. To be responsible for the assessment, planning, implementation and evaluation of nursing care within the multi-disciplinary team. This will include carrying responsibility for the assessment of needs of young people within the service ensuring the treatment and risk management plans are adhered to.

To act as the lead nurse and to be responsible for the provision of supervision both formal and informal of junior staff and support workers.

To work closely /maintain a good working relationship between Forest house and the Adolescent Out reach Team.

All staff are expected to comply with the Trust's Open Culture within a Responsibility Framework.

# **Organisational Chart:**

Community Services

To adhere to and participate in the Trusts performance management policy.

To work closely within the team to improve areas of good practice.

To take responsibility in the absence of the Team Manager, to ensure the units standards continue to be maintained.

# Financial responsibility

The post holder is responsible to ensure the young peoples finances are recorded and managed in accordance to the relevant Trusts policies. To participate in managing the unit budget.

## **Service Development and Improvement**

The post holder will be responsible in participating and contributing in the development and improvement action plan of the CAMH services within Hertfordshire as directed by Heads of Service.

### **Analytical and Judgemental Skills**

Detailed knowledge and understanding of psychiatric/mental health diagnosis and treatments

### **Planning and Organisational Skills**

The planning and organisational skills required to fulfil the job responsibilities satisfactorily include planning and organising clinical and non-clinical activities, rotas, meetings, strategic planning and the requirements for the CPA process as outlined in the relevant Trust policies.

### **Physical Working Conditions and Environment**

Forest House is a 16 bedded inpatient unit for 12-18 year olds suffering with emotional, behavioural and psychiatric problems. The unit offers young people a 24 hour, 7 day a week service, assessing, treating and evaluating care though a variety of therapeutic techniques, family work, individual work, group work and the day-to-day milieu.

The post holder may be exposed to some aggressive and challenging behaviour from the young people.

The post holder must uphold health and safety requirements as specified in Trust policies.

It is a requirement of the post holder to travel to existing and potential sites within and outside of HPFT (unless you have a disability as defined by the Disability Discrimination Act 1995)

#### **Information Resources**

- To support the development and maintenance of the performance management framework involving use of Cognos, Excel and other information systems as necessary.
- To support the development of systems, improving and adapting existing reports and designing reports for use by Trust staff.
- Key involvement with the implementation of performance management systems and communication with staff.

#### Additional Information:

### **Knowledge and Skills Framework:**

The post holder will be expected to meet the requirements of the NHS Knowledge and Skills Framework (KSF) appropriate outline for the post. Approved outlines are available on the HPT e-ksf local library

# **Health and Safety**

The post holder has a duty of care to themselves and to others with whom they come into contact in the course of their work as laid down in the Health and Safety at Work Act 1974 and any subsequent amendment or legislation.

#### Infection Control

All Trust staff will:

Act as a role model and champion for the highest standard of all aspects of infection prevention and control and implementation of all Infection Prevention and Control Trust polices and guidelines.

Demonstrate respect for the roles and endeavours of others, in implementing good standards of hand hygiene.

Value and recognise the ideas and contributions of colleagues in their endeavours to reduce the incidence of healthcare associated infection.

### **Equality and Diversity**

Hertfordshire Partnership Trust is committed to providing an environment where all staff, service users and carers enjoy equality of opportunity.

The Trust works to eliminate all forms of discrimination and recognise that this requires, not only a commitment to remove discrimination, but also action through positive policies to redress inequalities.

Providing equality of opportunity means understanding and appreciating the diversity of our staff, service users & carers and ensuring a supportive environment free from harassment. Because of this Hertfordshire Partnership Trust actively encourages its staff to challenge discrimination and promote equality of opportunity for all.

## Confidentiality

All staff must be aware of the Data Protection Act 1984, and its subsequent amendments, which is now in force. This means that protection of data about

individuals is a requirement of the law and if any employee is found to have permitted unauthorised disclosure, the Trust and the individual may be prosecuted.

#### Standards of Business Conduct and Conflicts of Interest

The Trust has adopted a Standards of Conduct Policy, which reflects NHS Management Executive Guidelines. It is the responsibility of staff to ensure that they do not abuse their official position for personal gain or seek to advantage or further private business or other interests in the course of their official duties. Staff should be informing their line manager if they are working for any other organisation to ensure that this Trust complies with the Working Time Regulations.

## **Information and Records Management**

The post holder must be competent in using IT and have the relevant skills to carry out the activities required for the post.

To comply with the Data Protection Act 1998, Freedom of Information Act 2000 and Department of Health Code of Confidentiality in line with Trust procedures.

To adhere to the Trust's policies on records management including creation, use, storing and retention and disposal of records.

Adhere to the Trust's Corporate Identity (using the standard templates – available on nww.hpt.nhs.uk).

### Safeguarding Adults and Children

The Trust is committed to ensuring adults and children are protected and come to no harm from abuse. All employees have a responsibility to be aware of national and local policies, their individual responsibilities with regards to the protection and safeguarding of both adults and children, and must adhere to them at all times.

#### **Organisational Change**

As services develop and change, the post holder may be required to undertake other responsibilities within the Trust.

#### Review:

This job description is an outline, which reflects the present requirements of the post and is not intended to be an inflexible or finite list of duties and responsibilities. As these duties and responsibilities change and develop the

job description will be amended from time to time in consultation with the post holder.
