

Dear applicant,

Welcome and thank you for considering a rewarding career at Surrey and Sussex Healthcare NHS Trust.

At Surrey and Sussex, we stand at the forefront of healthcare excellence, serving as an integral part of our local community; providing acute and complex services at East Surrey Hospital in Redhill and a range of outpatient, diagnostic and less complex planned services at The Earlswood Centre, Caterham Dene Hospital, Crawley Hospital and Horsham Hospital.

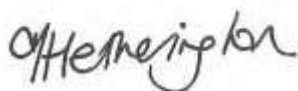

With 267 registered Allied Health Professionals, we foster a path that not only offers professional growth but also allows you to nurture your well-being.

We believe that our strength lies in our people. Our success over the years is a tribute to the dedication, talent and passion of each individual who has chosen to join our organisation.

I extend my best wishes for your forthcoming application to become a part of our dynamic team. Should you choose to join us at Surrey and Sussex, I look forward to the possibility of meeting you in person and welcoming you aboard.

Best wishes,

Tina Hetherington
Chief Nurse
