- Observes and reports on the effects of prescribed medical treatments.
- Contributes to multi- disciplinary/ agency meetings and care plans.
- Facilitates empowerment and choice for service users as far as legal and Risk Management constraints allow.
- Supports and facilitates patient advocacy.
- Contributes to programmes of research and practice development.

#### **4. Working as part of a Team**

- Promotes effective team working
- Promotes multi- agency collaboration.

#### **5. Managing Self**

- Participate in regular supervision.
- Attend all mandatory training.
- Participate annually identifying, developing and agreeing your own development plan with your line manager using the Trust Appraisal process.
- Comply with all Trust policies, procedures and protocols.
- Pay regard to materials and equipment.
- Carry out duties with due regard to the Trust's Equal Opportunity Policy.
- Seek advice and support from your line manager whenever necessary.

#### **6. Staff Supervision and Support**

- Provide support to your direct reports and team members around their personal health and wellbeing.
- Supervises junior staff.
- Assists in the identification of staff development needs. Supports staff to attain development objectives as identified through the Trust Development scheme.
- Contributes to teaching and staff development as highlighted in identification process.

#### **7. Financial Responsibility**

- Assists in the efficient management of resources including deployment of staff on a shift basis

#### **8. Safeguarding**

All staff members have a duty to report any concerns they have about the safety or well being of adult service users, members of their families, including children. Employees should be aware of their roles & responsibilities to both prevent and respond appropriately to abuse. They should undertake the safeguarding training required for their particular role.

#### **9. Core Values:**

Below is the Trust's Vision, Aims and Corporate Priorities. The Corporate Priorities are what the Board has identified as specific priorities. The Trust's vision statement is:

Everything we do over the next five years will contribute to one or more of these four goals to achieve our vision of connecting people to the best quality care, when and where they need it, and be the best place to work.

#### **Our Purpose**

To create connected communities and help people to feel as healthy as they can be at every point in their lives

#### **Our Vision**

To connect people to the best quality care, when and where they need it and be a national role model as an employer

## **Our Values**

We Care - We act with respect and empathy, and always value difference

We Listen - We understand people's views and respond to their individual needs

We Deliver - We develop and provide excellent services and support our partners

## **Our Goals**

### **Our services**

- To provide seamless access to the best care
- To provide excellent quality services

### **Our community**

- To provide our staff with the best places to work
- To support people to live to their fullest potential, to be as healthy as possible

## **Core Statements:**

### **1. Infection Control - All clinical and non-clinical staff groups**

Responsible for, in respect to your area of work, for ensuring so far as is reasonably practicable and in accordance with Trust policies that you are aware of your individual responsibilities in regard to infection prevention and control this requires you to:

- Maintain safe infection prevention and control environment for yourself and others.
- Be familiar with and comply with current infection prevention and control, guidelines, policies and procedures.
- Raise matters of non-compliance with your manager.
- Attend infection prevention and control mandatory training as dictated by your manager.
- Be appraised in relation to infection prevention and control.

### **2. Risk Management**

All staff need a basic working knowledge of risk management. They all have a responsibility to identify and report risks, hazards, incidents, accidents and near misses promptly, in accordance with Trust Policy. All staff must be familiar with emergency procedures, risk management systems and incident management in their workplace.

### **3. Health and Safety**

All employees have a responsibility under the Health and Safety at Work Etc Act 1974 for their own health, safety and welfare and to ensure that the agreed safety procedures are carried out to provide a safe environment for other employees and anyone else that may be affected by the carrying out of their duties.

Employees must co-operate with the Trust in meeting its statutory obligations with regard to health and safety legislation and must report any accidents, incidents and problems as soon as practicable to their immediate supervisor.

The Trust has a written health and safety policy which employees have a general duty to read in order that they are fully conversant with its requirements.

### **4. Patient care**

Bradford District Care NHS Foundation Trust is committed to ensuring the highest standards of care and treatment and expects that **all** staff employed within the organisation will treat service users, their carers, relatives and friends with dignity and respect at all times during their contact with services we provide.

## **5. Information Management**

All members of staff are bound by the requirements of the Data Protection Act 2018 and any breaches of the Act or of the confidential nature of the work of this post could lead to dismissal.

The post holder is responsible to learn about information governance, to help ensure that best practice guidelines are followed, and personal information is managed to benefit patients, clients and members of staff.

The post holder is required to sign the declaration form to confirm they have read and understood the booklet and leaflet regarding information governance, which will be kept by the HR team in the post holder's personnel file.
