

Band 7 HIV Health Adviser – for one-year fixed term to cover maternity leave

Total Hours: 37.5 hours a week

We welcome applicants who wish to apply on a full-time, part-time or job share basis for this post

Location: HIV Outpatients Service, St Georges Hospital, London

This is an exciting opportunity for someone who has at least 3 years' experience working as a Health Adviser in a HIV/Sexual Health setting. We welcome applications from candidates who can demonstrate an enthusiasm for improving the lives of people living with HIV and who would enjoy working as part of a small, supportive, and effective team. The successful candidate will have a flexible approach to their work, excellent communication skills and a commitment to providing the best possible care. The Health Adviser role is a highly valued one within the service.
