

STAFF CAR PARKING

Staff Car Parking on the West Suffolk Hospital Site is eligible for individuals working outside of the core hours, 07:00 – 18:30.

For individuals working within the core hours, the Trust offers parking off site at the Bury St Edmunds Rugby Club, which is serviced by a regular shuttle bus to and from the Hospital. Details of the bus timetable can be found in the on-line starter pack on the West Suffolk Hospital website.

This parking restriction does not apply if an individual is required to work on a weekend or if they are required to complete “on call” duties within their role.

The closing date for this vacancy may change if we receive a strong response. Please ensure that you apply for any post you are interested in as soon as possible.
