

JOB DESCRIPTION AND PERSON SPECIFICATION

JOB TITLE: Registered Nurse
GRADE: Band 5
HOURS: Bank
BUSINESS UNIT: Secure Environments

JOB PURPOSE

To provide a comprehensive physical health service as part of the Multi-Disciplinary Team to prisoners with physical health needs within the Secure Environments Business Unit. In conjunction with the management team contribute to and deliver a comprehensive Primary Health Service in partnership with mental health and key stakeholders as part of a multi-disciplinary team within the prison setting.

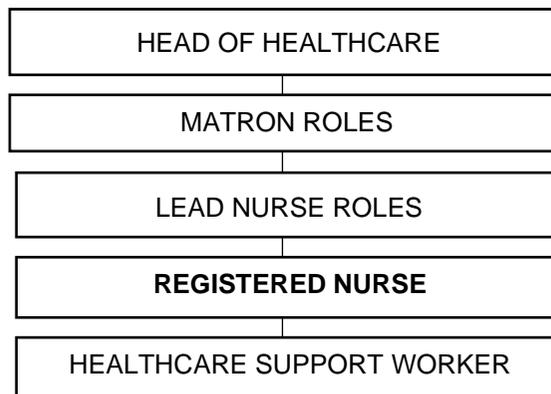

The role of the Registered Nurse is to undertake health assessments, administer medication and treatments, perform diagnostic tests as appropriate and to provide and evaluate a range of health interventions to meet prisoner health and social care needs. The post holder will be required to work flexibly across the service to provide responsive, evidence-based interventions working alongside physical and mental health clinical teams.

Demonstrate knowledge, skills and understanding of health issues and treatment options to provide primary care within the prison preventing transfer to outside hospital where possible. The post holder should also have a keen interest in developing knowledge and skills across the integrated services. The post holder will be expected to undertake safeguarding training appropriate to their role and adhere to policies and procedures relevant to the area they work

The post holder will be expected to operate in line with our shared commitment to our values; Working Together, Integrity, Respect and Recognition, Compassion and Innovation.

ORGANISATION CHART:

This will vary according to the Health Needs at each prison site.
