Qualifications needed:

- Full GMC Registration with a license to practice
- Mastery in the management of a broad range of physical health conditions in babies, children, and young people, including neurodevelopmental disorders
- At least 4 years post graduate training including community paediatrics (or demonstrate equivalent experience and competences).
- Knowledge and training in Child safeguarding
- Valid Level 3 Safeguarding Training.

Why NELFT?

NELFT is an award-winning community and mental health Trust, providing healthcare for over 4.9 million people, ensuring our patients, family and friends feel confident that their health needs are met. We are committed to delivering the **best care** to the communities we serve across North East London, Essex and Kent.

With an excellent reputation for research and development, our skilled healthcare professionals are at the cutting edge of evidence-based innovation, opening up the possibilities for better ways of working and delivery of care. Joining us will provide you with unparalleled access to training opportunities, continuous CPD, peer support groups, and a robust supervision and appraisal system.

We are currently recruiting to a Community Paediatrics Specialty Doctor position in the Barking and Dagenham Specialist Children Service, based at 79 Axe Street, Barking, IG11 7L. This is an established post and is a substantive, full-time role. It is currently vacant, and we wish to recruit to it as soon as possible.

You will join 5wte Consultant Paediatricians, 1wte Specialist Grade Doctor, another 1wte Specialist Doctor, and 2wte Core Trainee within the service, and will have the opportunity to influence future direction, treatment, and models of design in the area in which you work.

Why Barking & Dagenham?

Barking & Dagenham has extremely good transport links to central London and eastwards to Essex and Kent. In terms of public transport, the borough is served by a good local bus network as well as National Rail/C2C (Barking), the District Line (Barking, Upney, Becontree, Dagenham Heathway, Dagenham East), the London

Overground (Barking & Barking Riverside) and the new Elizabeth Line (Chadwell Heath).

Barking and Dagenham services have a culture of continual learning and development. Several service development and Quality Improvement initiatives are being progressed.

You will be expected to:

- Work as part of multidisciplinary teams providing care to babies, children, and young people across Barking and Dagenham.
- Provide senior medical support and guidance to the team
- Work directly with babies, children and young people, and their families and liaise as appropriate with other external health providers and acute hospitals
- Participate in the local Child Protection rota
- Support your peers and team leader, and be an effective team member whilst allowing them to work with their own initiative
- Work alongside 5wte Consultant Paediatricians, 1wte Specialist Grade Doctor, another 1wte Specialist Doctor, and 2wte Core Trainee within the service
- Commit to collaborative working, actively supporting and liaising with other health and social professionals, and agencies.

To be successful in your application, you will need:

- To demonstrate that your values are in line with that of NELFT's values,
- To be innovative, motivated, and passionate about baby, children, and young people health care,
- Essential understanding of current developments in community paediatric care,
- To be a team player

NELFT Benefits:

- Relocation expenses
- Career Development and training
- Just & Compassionate Culture
- Award winning Equality, Diversity, and Inclusion initiatives
- Vivup employee benefits platform and salary sacrifice scheme
- Salary Finance and Financial Wellbeing support
- Employee Assistance Programme
- Health & Wellness initiatives
- 11 Staff Networks including parents & carers network, ethnic minorities network, LGBT+ network and Disability network to name a few
- Retail Discounts
- Flexible working and agile working
- Cycle to work scheme
