Number of Weeks in Rota 11 Average Working Week 37.5
--

This rota is indicative of the rota you will be working whilst working on Gatwick SOLO - this rota is subject to the rules of a rostered rest day rota as outlined below:

1. Rest days are noted in the rota as 'RD' and confirmed as 'non-working days'
2. Where a day is showing as hours - you will be allocated any shift on this day. If there are no 11.5 hr shifts these hours can be moved to an alternative date (e.g. where there is a 9.5 hr day) or added on to relief to ensure balance of hours.
